

The celebrated American running horse

## OSCAR.

WILL stand the ensuing season at Christopher's, adjoining Belle-Air, the seat of Benjamin Ogle, jun. in Prince-George's county, Maryland, at twenty dollars a mare, and half a dollar to the groom, which may be discharged on the payment of fifteen dollars, if the money be sent with the mare, or paid before the end of the season, which will commence on the 15th of March, and terminate on the 20th of July. Good pasturage gratis during the season: all mares left beyond its expiration will be charged two dollars a week. The greatest care will be taken to prevent accident or escape, but no responsibility for either. Gentlemen wishing their mares to be fed with grain must send the money with them for its purchase. This celebrated horse will stand at the above reduced price, in consequence of the present scarcity of money, and embarrassed state of the country, occasioned by the embargo.

Oscar and his performances are so well known throughout the State of Maryland, that it is scarcely necessary to describe him, or enumerate them; but for the information of those who are unacquainted with his immense powers, some of his races will be noted. He is now rising eight years old, fifteen hands and three inches high, a beautiful bright bay, of great bone and sinew, and his blood superior to any horse bred in America, as will appear by the following pedigree:

He was got by the English horse Gabriel (fire of Post-Boy and Harlequin); his dam was Vixen by Old Medley; grandam col. Tayloe's Penelope, by Old Yorick; great grandam by Ranter; great great grandam by Old Gift.

Gabriel (bred by lord Ossory) was got by Dorimont; his dam by the famous High Flyer; grandam by Snap, out of Shepherd's Crab mare (the dam of Chalkstone, Iris, Sphinx, Planet, and other good runners); her dam was Miss Meredith by Cade, out of the little Hartley mare.

Medley was got by Gimcrack (Cripple, Godolphin Arabian); his dam (full sister to the dam of Sir Peter Teazle) was Aminda by Snap; grandam Miss Cleveland by Regulus; great grandam Midge by Bay Bolton; great great grandam by Bartlett's Childers; great great great grandam by Honeywood's Arabian, out of the dam of the Two True Blues.

Thus it will be seen that Oscar derives his descent from blood equal to any known horse in the world.

It is a fact universally admitted, that Medley has contributed more to the improvement of the breed of horses in this country, than any other stallion that has been brought into it; and to this day, with gentlemen of the turf, his valuable blood is so desirable, that a portion of it, however distant, is always sought for.

Gabriel was a capital runner in England: in three years he won fifteen races, out of which number four were king's plates, proving himself a good horse for short and long distances, as well as for high and low weights.

It is also to be observed that Oscar is not himself a chance horse, his dam having produced but four foals, three of which have been good runners, and the fourth a promising colt, is yet to be trained.

### PERFORMANCES.

At Annapolis, in the fall of 1804, at four years old, Oscar won with ease, the three mile heats.

The next week after, over the Washington course, he won the city and town purse, two mile heats, beating Mr. Tayloe's Clearmont, by Spread Eagle; Mr. Lufborough's Napoleon, a capital horse, by Punch; a bay gelding of Dr. Edelen's, and others.

On the 22d October, 1805, Oscar won the jockey club purse at Annapolis, four mile heats, beating general Ridgely's Lavinia, Mr. Duckett's Democrat, and Mr. Lloyd's Dolon. That day week he started for the jockey club purse at the city of Washington, and was second horse, (being beaten by the Maid of the Oaks, beating Mr. Allen's famous horse Sir Solomon, Dr. Edelen's celebrated mare Floretta, Mr. Tayloe's noted horse Top Gallant, and several others. The first heat of this race (and the course measures a full mile,) was run in 8 minutes 2 seconds, the second heat in 8 minutes 1 second; the two last miles of the second heat were run in 3 minutes 40 seconds. Oscar was not in condition.

In the spring of 1806, Oscar won the jockey club purse at Baltimore.

In the fall of 1806, Mr. Bond's horse First Consul challenged the continent, and was taken up by Oscar to run at Baltimore, on the 10th October, the four mile heats, for two thousand dollars a side. Oscar won in great style, running the second heat in 7 minutes 40 seconds, which speed has never been equalled except by Flying Childers, who ran the Beacon course at New-Market in the same time. Two weeks after, Oscar again beat Consul at three heats, at the city of Washington, for the jockey club purse, which was won by Dr. Edelen's Floretta; Oscar being second, beating, besides Consul, Mr. Tayloe's Top Gallant, and Mr. Brown's Nancy, by Spread Eagle.

The same fall Oscar travelled to Lancaster, in Pennsylvania, where he won the last day's purse with great ease, beating Mr. Bond's Soldier, by Punch, and five others.
